Stationery / School Costs List 2022

Year 11, 12, 13

Students are requested to purchase their stationery during the summer break and to be prepared for the beginning of the academic school year on the **Monday, 31st January 2022 (Year 13)** and **Tuesday 1st February 2022 (Year 11 & 12)**. Students must check the stationery requirements for each of their options. It is expected that students will also have general stationery such as pens, rulers etc.

Please find following a list of school take home component costs; **Invoices for these costs will be posted home as soon as all class placements have been confirmed.**

NOTES

1. All students will be provided with an **ID card**. This ID card is required for issuing of school library books. If a vehicle pass has been approved before ID's are printed, this will also show on card.
The ID card is useful for other purposes outside school as it has the student's photo and birth date on it.
2. All take home component costs need to be paid (on invoice) to ensure that the materials, are available; they are an essential part of the course. It is important if the student is taking the subject that they pay these costs.
3. Payments can be made by cash/ cheque or Eftpos at the school office or by Direct Credit to our bank account; these instructions are printed on the invoices.
