### NOTES

1. All students will be provided with an **ID card**. This ID card is required for issuing of school library books.  
It is also useful for other purposes outside school as it has the student's photo and birth date on it.
2. All take home component costs need to be paid (on invoice) to ensure that the materials are available; they are an essential part of the course.  
It is important if the student is taking the subject that they pay these costs.
3. Payments can be made by cash/ cheque or Eftpos at the school office or by Direct Credit to our bank account; these instructions are printed on the invoices.
